

Welcome back to school!

This advice is a courtesy request
From St. Augustine Church
& Parish Office –

As you will notice construction is going on around the Parish Campus so some parking is limited for use. Please take care when on the grounds and make sure your students are aware to stay out of these areas. We will advise you of any restrictions as they come known to the Parish Office while work will be ongoing for many months ahead. This may create inconvenience at times, but cooperation and kindness is necessary from all. Watch for further frequent updates and thank you for your support. The changes ahead are going to be amazing – and St. Augustine will soon be “Celebrating the Joy” that has been long in process. If you have any questions, please contact the Parish Office at (310) 838-2477.

Thank you and God Bless!
